P.O. BOX 302
BROWNSVILLE, KY. 42210

The Edmonson County Youth Soccer Board is publishing this letter to address the upcoming fall season. We are going to have a fall season and wish to provide these guidelines to ensure parents, players and coaches feel comfortable with the safety precautions that will be in place.

The guidelines are listed below:

1. Parents please take your players temperature before coming to the playing field and if they have a temperature above 100.4 please keep them at home.
2. Bring your own chairs to help with social distancing as no seating will be provided for spectators.
3. Please arrive no more than 15 minutes before your game or practice time.
4. Players and coaches will not give handshakes or high fives at anytime during practice or games.
5. Markers will be placed in the equipment room for coaches to mark each players drink bottle to ensure no player will drink from another player's bottle.
6. Please adhere to all posted signs within the park.
7. Concession stand staff and gate workers will wear a mask and gloves at all times while working.
8. Restrooms will be cleaned and disinfected every 30 minutes during games.
9. Bleachers will be used for players benches to provide social distancing while players are not in the game.
10. Any player, coach, official, worker or spectator who is sick will be required to leave the park.
11. Hand sanitizer will be placed in multiple areas around playing fields for use in disinfecting hands and equipment as necessary.

We are doing all we can to make you feel as safe as possible while providing our youth a chance to regain some sense of normality and a chance to expend some of that pinned up energy from the last few months of being stuck at home. You can further help us by wearing a mask. While we are not requiring it at this time it will help to prevent the possible spread of the coronavirus.

We look forward to having a great season and are always available to answer any questions as best we can.

Thank you,
Edmonson County Youth Soccer Board
